### **Questions**

1. Please share an example of how you've been able to motivate your colleagues to provide excellent patient care and client service.
  
2. VCA MidWest Veterinary Referral & Emergency Center strives to be a collaborative healthcare partner with primary care veterinarians in our referring community. Please explain how you feel family veterinarians and board-certified veterinary specialists can best partner to meet this goal.
  
3. Veterinary advances and discoveries are made on an almost daily basis. Such medical evolution will inevitably benefit dogs and cats. Please share the medical innovation and/or discovery you would most like to come to fruition in the next five (5) years.
  
4. VCA MidWest Veterinary Referral & Emergency Center prides itself on being a teaching facility. We enjoy providing exemplary educational opportunities and resources for students and colleagues. Please explain how you would share information learned at the Arbor Veterinary Symposium to enhance patient care.

In support of your scholarship application, please provide a one-page personal statement.
